STAGE.71

Etude of a Shudder

So this is Marpha...

Before anything, stop wearing that outfit...
Ah, yeah yeah.
Everyone, be careful !

I think he'll gather the cream of the crop of his minions there.
Since Gandolf is the King's eldest son...

AH... ALL RIGHT...
Don't say anything and let him do as he pleases.
VROOOOF

Azel... But why ?
A... Anyway... Could you please leave Gandolf to me ?

Have it your way.
Gandolf is my enemy as well.
I'll go too.
Cotapt
Wait a second, Azel !
And here he is...
Ah, Lady Edin !
What's with him ? He's been like that for some time...
プイッ
HUMPF !
Lady Edin...
Please come back to me...
Be careful...
Midayle !

I'm sorry...
I'm so worthless...
I... When I remember that scene... It frightens me...
The one to blame is Gandolf !!
No no, it wasn't your fault !!
I'll never again let such a thing happen in front of you...
I beg your pardon.
grip
Especially that face of his..
Lady Edin?
I'll never ever forgive that man !!!

He he he !
By the way, what can I do for you ?
Th-th-that's nothing, you're not bothering at all !
Blush
rustle rustle
Errrr... Sorry t'bother you, but...
Deu !
I don't want it to happen to you even if I'm not there, either...
TADAAA!
A Relive Staff !
It just happened to have been put amongst my original goods.
My !
Yes ! Thank you, Deu.
...Ah !
You can use this, correct !?
Here, givin' it to you.
Of course ! With this, I can heal your wounds,
so now I can go to the frontline with you.

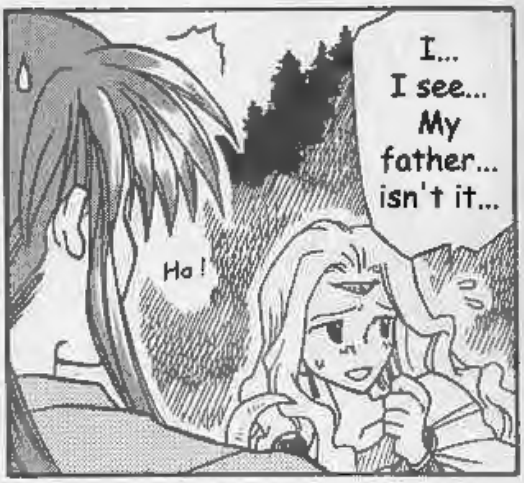
Midayle ?!
That's out of the question !

That's right... That would be a lil' bit dangerous.
Ah...
Mmm...

Do you intend to show yourself nonchalantly before Gandolf again ?!

I wouldn't know what to say to Lord Ring...
...
Eh... ?
If something were to ever happen to you...
ドキッ
TO-DOM

Everyone is waiting ! Let's hurry !
Ah ! Of, Of course I thought that Lady Edin's life is the most important !



I... I see... My father... isn't it...

And in considerable numbers !
Here they come !

It seems there are archers positioned inside that tower !!

Ah ! I see !
If you slip straight to them, you'll make short work of them.
Archers can't fight in close quarters.

It's a good thing that you don't know your own place.
To try opposing me, the Great Alec...
